## Constructing Questions: Survival

**Directions:** Answer the question and support your statement with evidence from the chapter. Then explain how this question reflects the enduring issue for Native Americans that is described below. *An enduring issue is a challenge or problem that persists over time.* Finally, construct your own question that relates to the identified enduring issue.

<b>Question:</b> How did American Indian Code Talkers face adversity following their return home from war?			
<b>Answer:</b>			
<b>Supporting Evidence</b>			
<b>Enduring Issue:</b> As U.S. citizens, Native Americans have often been denied the same rights and privileges as other U.S. citizens.			
<b>Construct your own question that relates to the enduring issue identified above.</b>
