Removal Today

Part A—Pair Summary

Directions: Work with a partner to read or examine two sources and discuss the questions that accompany each source. Then, come to a conclusion about whether there is evidence that the people in the case study experienced removal.

Featured Source A: _____	
Evidence of Removal	
Evidence to Support My Conclusion:	
Featured Source B: _____	
Evidence of Removal	
Evidence to Support My Conclusion:	

Name _____

Part B—Group Summary

Directions: Determine whether the case is an example of removal today. Then, apply evidence from the featured sources to support your claim. Finally, make connections to the inquiry by citing similarities and differences between the modern example you studied and American Indian removal.

Claim	This case (is/is not) an example of removal today.
Evidence	
Connections	
Can you find any historical connections between the case study and American Indian removal?
